Main idea
Presentation

Film Project Assignment 2
Planning
(Subject to change)

SHOT 1: CU + OVERLAY

We hear some rustling in the bushes, we see them move

A small head pops out, it turns her head both ways to scout

SHOT 2: ESTABLISHING

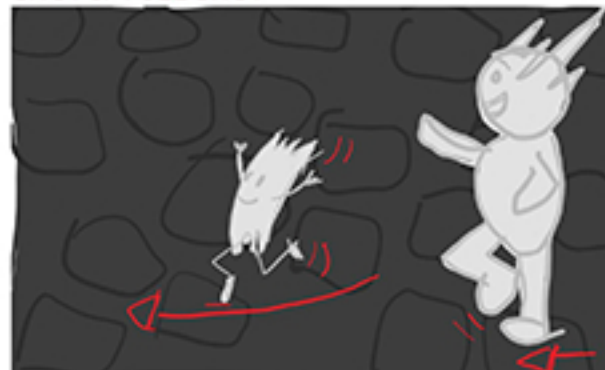

She signals to her friend that the coast is clear, she waves her hand

Both her and her baby emerge from the bushes

SHOT 3: FULL SHOT

The baby is excited and runs ahead of its mommy not paying attention

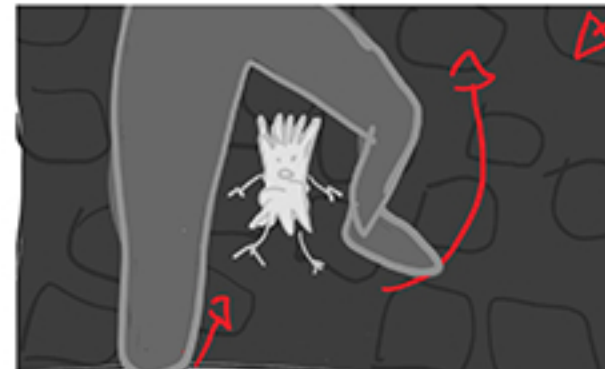

The baby is excited and runs ahead of its mommy not paying attention

SHOT 4: BIRDS EYE VIEW

The baby landed on its bottom and gazes at the giant openmouthed. The jogger stands still and looks down

The jogger steps over the baby and carries on. The baby continues to stare.

SHOT 5: LOW ANGLE + FULL SHOT

The mother rushes to the baby and helps him get up. The jogger keeps jogging in the background

(Maybe medium shot + over the shoulder)
the mother angrily waves her fist at the jogger. The baby is upset and rubs his eyes

SHOT 1

Mother and child are walking together. With every step, the monsters leave a trail of grass and mushrooms.

Child goes faster and runs away from mother.

SHOT 2

Child continues to walk away from mother but doesn't see the person walking towards him.

Person doesn't see him either and accidentally walks against him.

Person steps back to see and mother comes into frame to help the child.

SHOT 3

Original idea

Mother helps child up.

Mother waves an angry fist at person.

Mother and child walk away.

Alternative

Mother helps child up.

Mother waves an angry fist at person while person walks over them.

Mother and child walk away.

SHOT 4

They continue to walk away.

They go behind the corner.
